## 10. DECLARATION OF INTENT, CAPACITY, AND TRUTH

By entering, submitting, or recording any data, statement, instrument, or activity within the World Standing Together™ (WST) system, the Member expressly affirms and declares that:

### A. Truthful Representation

All declarations made by the Member represent their genuine belief, knowledge, and intent at the time of submission. The Member affirms that such declarations are not knowingly false, misleading, or materially incomplete.

### B. Authority and Standing

The Member declares that they possess the lawful authority, standing, or right to make such declarations, including but not limited to claims of ownership, control, capacity, or participation in any asset, instrument, or activity.

### C. Completeness of Disclosure

The Member acknowledges a duty to provide sufficient and accurate information such that a reasonable party may understand the nature, scope, and basis of the declaration. Omission of material facts that would alter interpretation is considered a breach of this duty.

### D. Binding Intent

Each declaration constitutes a statement of intent and may form the basis of records, instruments, holdings, offers, or other system actions. The Member understands that such declarations may be relied upon by the system and other Members.

### E. Record as Evidence

The Member acknowledges that all declarations may be preserved as immutable or append-only records within the WST system and may serve as evidence of stated intent, position, or activity.

### F. Responsibility for Accuracy

The Member retains full responsibility for the accuracy and integrity of all submitted

declarations, including any supporting documentation, attachments, or referenced materials.

**G. Prohibited Conduct**

The Member agrees not to:

1. Submit false, fabricated, or deceptive declarations
2. Misrepresent ownership, authority, or capacity
3. Create records intended to mislead, defraud, or improperly influence other Members or system processes

**H. Consequences of Misrepresentation**

Any declaration determined to be materially false, misleading, or incomplete may result in actions including, but not limited to:

1. Suspension or termination of access
2. Reclassification, nullification, or removal of associated records, instruments, or holdings
3. Revocation of privileges, roles, or authority within the system
4. Internal flagging for review and audit

**I. Duty to Update**

The Member agrees to update or correct prior declarations if they become aware of inaccuracies or material changes that affect previously submitted information.

**J. Good Faith Participation**

The Member agrees to act in good faith, recognizing that the integrity of the WST system depends on truthful declarations as the foundation of all records, value creation, and exchange.

**Acknowledgment**

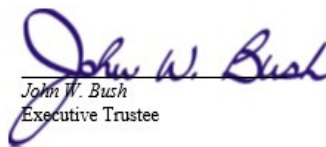

By proceeding within the system, the Member acknowledges that declaration is the foundational act upon which all system activity is built, and that integrity in declaration is essential to the function, trust, and continuity of the WST ecosystem.

**11. SIGNATURES**

**As per acceptance into the systems**
